What else does an applicant need to know about your congregation, the position or your city?

Located in northern suburbs of Chicago. There is a large Jewish community in the area with extensive educational opportunities, easy access to kosher restaurants and grocery stores. Chicago is a vibrant area with much to offer on many levels. Entertainment, culture, sports, dining, education, arts and a diverse population. Am Yisrael is a unique congregation. We have been egalitarian since our inception. We use musical instruments at all services. We do not have extensive donor recognition, although there is some. Our facility is small and manageable. PCongregational politics are minimal and there is little to no drama. We embrace different life styles.
